Quality objectives of Equipment Administration Department

Objective 1

- Provide the Requested Equipment to the required project on time (3 to 7 days)

Objective 2

- Minimize Idle Time to < 15% by the end of June 2020G.C

Objective 3

- Minimize Downtime < 5% by the end of June 2020G.C

Objective 4

- Minimizes operating cost by 5% by the end of June 2020G.C
